THE AUTOMATIC CYCLOSTYLE.

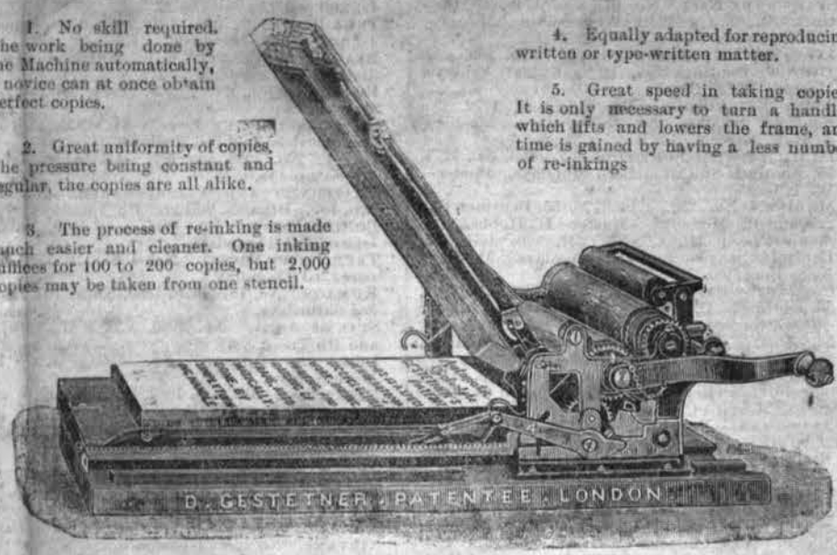

1. No skill required. The work being done by the Machine automatically, a novice can at once obtain perfect copies.

2. Great uniformity of copies. The pressure being constant and regular, the copies are all alike.

3. The process of re-inking is made much easier and cleaner. One inking suffices for 100 to 200 copies, but 2,000 copies may be taken from one stencil.

4. Equally adapted for reproducing written or type-written matter.

5. Great speed in taking copies. It is only necessary to turn a handle, which lifts and lowers the frame, and time is gained by having a less number of re-inkings

Stocked only in Foolscap Size. Complete with type-outfit and fitted with Rubber Rollers for Hot Climates. Other sizes imported to order.

Price, Rs. 125 complete.
